TO THE HONORABLE LEE YEAKEL.

Lones Now. Tose Temiono Mederos-Vanete, therein through pro se representation amoves this Louis for a Motion to vacade correct on set aside his sentence pursuant to 28 U.S.C. & 2255, and for good course would show this Court as follows:

1.

JURISDICTION

This Court has jurisdiction pour suant to 18 0.8 0.8 2255.

11

PROCEDUAL BACKGROUND

On or about December 29.2014. Petitioner was oversted and charged with for violatina 18.11.8.C. \$ \$ 922 (g) and 924(a)(2) and 21.41.8.C. \$ 841 (a), and on December 21. 2015 he entered into a plea of guilty to violating the above mention offenses.

IN June 20,2016 this Court sentenced Petitioner to two consecutive tume of impresonment of 144 months for the controlled substance and 60 months for the passession of a finarm.

#### 111.

#### EROUMO DNE INETTECTIVE ASSISTANCE OF COUNSEL APPEAL

Politioner asserts that counsel of record Mr. Armanov & Mortinez render ineffective assistance by failing to to file notice of appeal upon his numerous requests. That said ineffectiveness projudiced his defense. Because Petitioner adequantly expressed his desire to appeal and that had counsel filed his notice of appeal there is a reasonable probability that an an appeal would have been prosecuted and appealant coursel would have had been appointed, and as a result of ineffectiveness. Petitioner last his appellant right to appeal. Tedent Kules of Criminal Procedures 32 (q)(B) and (C).

In Raminez v. United States, Civil No. 3:13-CV-2838-B-BN. (D.C.N.Tex 2016),
the district court held. That "Movent's" counsel rendered well-stive assistance of
counsel because of counsel's failure to lite notice of appeal upon "Movent's" request.

Petitioner asserts he suffered that same ineffective assistance of counsel discussed in Raminez; that counsel knew of Petitioner's desire to appeal i pursuant to Rule 32 (a) (B) and (c), but counsel did nothing, but for counsel's ineffectiveness. Petitioner was prejudiced and as a result last his right to appeal in violation of the little and Sixik Amendments of the United States Constitution.

#### SENTENCING

Petitioner asserts that counsel at record Mr. Armondo & Martinez render ineffective assistance of coursel during his Tune 20.2016 sentencing proceedings because counsel lailed to abject to the two consecutive terms of 149 months and 60 months of imprisonment, that said ineffective assistance prejudiced his sentence, because had coursel move the court for a grouping on both courts. Then would have had been a reasonable probability that the court would grouped both counts, to run concurrenty, because the continuous in nature and the offense and the offense guideline is written to cover such harbarior, pursuant to 118.8.6. § 301.2, that as a result of soid ineffectiveness Petitioner was sentenced to a consecutive term of imprisonments of 111 months and 60 months, total of 201 months of imprisonments.

The United States Sectioning Civideline Section 301.2 , states in relevant part :

(d) "Et The offense level is determined largely on the basis of the property of a substance involved."

Defences covered by the Pollowing guilelines are to be grouped under this subsection?

Ll. S. S. G. S. Z.D.I. I (c) (z) Drug Quantity Table.

"[LI level 36 if of least 15 KG but less than 45 KG of Methamphetamine (actual):

U.S.S.G. & ZKZ.1 (a) (4) (A):

"IT The defendant committed any part of the instant affense subsequent to substaining one Tolony conviction of either a cume of violence or a controlled substance offense."

In United States v. Pacheco, Liminal No. 3:13-LR-157-P (D1), (D.C. N.Tex. 2013), the district court found that Defendant's sentencing range of 97 to 121 months as to both counts was determined based on a criminal history category of II and a total offense level of 29. See DK+ No. 32, at 26-14; DK+. No. 11. of 1. The base offense level of ZZ, however, was determined using the guidelines applicable to Defendant's telen-in possession conviction, U.S.S.G. 3 ZKZ.1, because both counts were "groupable" since "the offense level is determined largely on the measure of aggregate harm," and because Section ZKZ.1 vields a higher offense level than Section ZD1.1. See DK+. No 32.

Petitioner asserts that counsel knew or should have known that at all times prior and during his June 20,2016 sentencing proceeding that he was eligible for "grouping" sentencing guidilines application under U.S.S.G. § 301.2, because "the offinse level was determined largely on the basis of the measure of af aggregate harm". Section but for counsel's ineffectiveness he received a higher sentence of 84 months of imprisonment.

## IX GROUND TWO DISTRICT COURT ERROR

Petitioner asserts that during his June 20,2016 sentencing proceedings the district court plainty erred because it tail to group the one court of Iclar in presession of a lineary. In violation of 18 U.S.C. & 922 (g), and one court of possession with intent to distribute a controlled substance in violation of 21 U.S.C. & B41 (a), that as a controlled substance in violation of 21 U.S.C. & B41 (a), that as a controlled erred Petitioner was sentenced to 31 months greated than the concentral sentence, pour suant to U.S.S.G. & B01.2, because both courts were "groupable". United States 4. Packeco, Chiminol No. 3:13-CR-151-P(01).(AC.N.Tex 2013).

To establish plain error, a defendant must show: (1) error (2) that is plan and (3) affects substantial rights. United States v. Davis. No.15-13064 (514 Cm. 2015). As to the first element, the district courts consecutive terms of 141 months and 62 months of imprisonment was error because both courts involved substantially the same haim with the meaning of 12.3.8 G. 8 3 D1.2, to be grouped to gether, as to the second element, the error is plain because letitioner received a sentence of 84 months growth that he would have had received if the courts wealth have had been grouped to getter and as to the livid element. The courts or an eous determination of the consecutive terms of imprisonment, affected Petitioner's who process rights because because of its failure to properly determined and inquing the United States Sentencing Buildelines. Section 3 D1.2 for the "grouping" procedure and concurrent terms of imprisonment in violation under the little Amendment of the United States Constitution United States v. Pacheco, Ciminal No. 3113-CR-157-P (01 (0.6.N.Tex. 2013).

# PRATER FOR RELEIF

Liberefore, Petitioner proys this court would grout the writ, find that zounsel rendered ineffective assistance, by failing to file his notice of appeal upon request of failed to object to the consecutive terms of imprisonment and growe the grouping sentencing guidelines procedure , and would find the court's erroncous terms of consecutive of imprisonments.
